

## Roommate Agreement for Animal in Housing

**Name of Student:** \_\_\_\_\_ **BCV West / South Unit #** \_\_\_\_\_

**Student ID#** \_\_\_\_\_

I understand that my roommate(s) has been approved for an animal to live in the above BCV unit where I am assigned. I have met the animal or am aware of the animal breed, type, weight. I acknowledge that my roommate is responsible for the care and maintenance of the animal. I agree to live in the above unit with the animal.

I understand that I can change my mind about living in the unit with the animal, at any time, for any reason. If I change my mind and wish to leave the unit, I understand that I must notify the Housing Director and make a formal request for reassignment to another unit.
