

THE FULFORD ADVISORY BOARD WISHES YOU PEACE, LOVE, AND JOY THIS HOLIDAY SEASON AND THROUGHOUT 2020!

LEAVE A LEGACY

All of our programming supports the Fulford Center's goals of education, civic engagement, and hospitality. Last year, the Fulford Center welcomed over 8900 visitors.

When you are honoring or memorializing family and friends, please consider making a donation to the Sudie A. Fulford Community Learning Center through the East Georgia State College Foundation. The Foundation is a 501(c)3 non-profit organization. All gifts are tax deductible to the extent approved by law. Contact Elizabeth Gilmer at (478)289-2037 for more information.

Message From The Director

As we prepare to celebrate the upcoming holiday season and transition to a new year, we want to thank you for your patronage in 2019. The Fulford Center is the hub of enriching experiences for individuals of all ages, and we are grateful for your participation and involvement.

Next year, the Center will be celebrating 10 years of service to the community and to the college. Opening in 2010, the Center has grown into a thriving center with programs and activities for all age groups.

We wish you many magical moments and joyful memories this holiday season, and we hope to see you often in 2020!

JEAN D. SCHWABE,
DIRECTOR

REMINDER: FINAL TOTAL WELLNESS SESSION TO BE HELD NOVEMBER 19

The final session of this year's Total Wellness Series will be held Tuesday, November 19, at noon. *Fighting Depression & Loneliness at the Holidays* is the session topic. Participants will receive tips they can use to make this holiday season a better season for them and those around them.

The series is FREE and is made possible through a partnership with UGA Extension, Emanuel Medical Center, East Georgia State College, East Georgia Healthcare Center, Queensborough National Bank and Trust, and CarePartners. Lunch, a presentation, and door prizes will be provided. Enrollment is limited to 20, and registration is required. If you have questions or would like to register, please give us a call at 289-2464. We hope to see you November 19!

REMINDER: 9th ANNUAL FAMILY ASTRONOMY SET FOR NOVEMBER 7

Please join us for our 9th Annual Family Astronomy Night. Two special guests will be joining us this year. Tom Faller, Astronomy Consultant, will provide telescopes, solar scopes, and binoculars for outdoor stargazing, and Amy Hager, NASA Space Ambassador, will be here to share NASA resources and a variety of hands-on STEM activities. EGSC instructors and Erin Youmans, MMGYSTC Coordinator, will also be on hand to provide activities.

Planetarium shows are scheduled at 5:30 p.m. and 6:30 p.m., and a computer station will be

set up with an assortment of interactive space activities and livestreaming of the International Space Station.

The event will take place from 5:00 p.m. until 7:30 p.m. and is FREE to the public.

See you on the 7th!

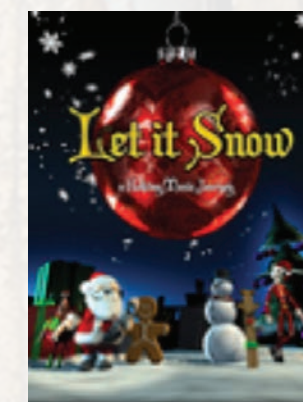

THANK YOU FOR YOUR PATRONAGE, RECENT VISITORS!

CONSIDER SCHEDULING A HOLIDAY PLANETARIUM SHOW

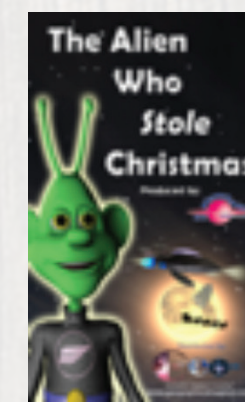

'Tis the season to be jolly! Contact the Center to schedule one of our holiday planetarium shows... They're sure to get you in the holiday spirit!

Let It Snow! is a great show for Family Audiences and is 30 minutes long. Celebrate the season with this holiday music experience! "Let it Snow" features a variety of festive classics from Frank Sinatra and Chuck Berry to Burl Ives and Brenda Lee and includes a stunning multi-media finale by the Trans Siberian Orchestra. The soundtrack is visu-

ally enhanced with thematic animation, special effects and all-dome scenery. The 30-minute program is a fun and entertaining experience for audiences of all ages, especially families.

The Alien Who Stole Christmas, also for Fam-

ily Audiences, clocks in at 35 minutes. Santa is in a flying saucer instead of a sleigh! Will Christmas ever be the same? This show is in two parts: Part 1 is a winter star walk, highlighting the constellations, planets and other celestial sights

visible on a long, dark winter's night. The second part is a planetarium fantasy to the tune of "Twas the Night Before Christmas," with a few changes. Santa finds himself aboard a flying saucer with his alien friend, Mr. Freep. The two visit all the planets of the solar system to see what children on those planets might like for Christmas. While fictional, the 'children' provide a fun way to remember what the environment is like on each planet.
