## LEAVE A LEGACY

All of our programming supports the Fulford Center's goals of education, civic engagement, and hospitality. Last year, the Fulford Center welcomed over 8900 visitors.

When you are honoring or memorializing family and friends, please consider making a donation to the Sudie A. Fulford Community Learning Center through the East Georgia State College Foundation. The Foundation is a 501(c)3 non-profit organization. All gifts are tax deductible to the extent approved by law. Contact Elizabeth Gilmer at (478)289-2037 for more information.

DIRECTOR

## Message From The Director

Fall has arrived, and we are excited about upcoming events! Our October calendar is filled with planetarium visits and a host of workshops and meetings. We hope you'll mark your calendar for the 9th Annual Family Astronomy Night scheduled for November 7 and our final Total Wellness session on November 19. All of these activities enable the Center to function as an interactive and vibrant hub of the community, and we remain dedicated to our goals of education, civic engagement, and hospitality.

I hope to see you soon at the Center!

## REMINDER: 9TH ANNUAL FAMILY ASTRONOMY NIGHT SET FOR NOVEMBER 7

We hope you will plan to join us for our 9th Annual Family Astronomy Night on Thursday, November 7, from 5 p.m. until 7:30 p.m. We anticipate an exciting evening! Astronomy Consultant, Tom Faller, will provide an assortment of telescopes for sky observation, and a variety of hands-on science activities will be provided by EGSC science instructors, as well as Erin Youmans, Magnolia Midlands GYSTC Coordinator. Two planetarium shows will also be part of the event. 2019 marks the 50th anniversary of the moon landing, so we hope you will join us as we continue the celebration!

## FINAL 2019 TOTAL WELLNESS SESSION SET FOR NOVEMBER 19

The final session of our 2019 Total Wellness series is scheduled for Tuesday, November 19, at noon. The topic, *Fighting Depression & Loneliness at the Holidays*, will be an especially relevant topic as we approach the holiday season.

While holidays are supposed to be a time of joy and celebration, for some people, it's a time of sadness. The stress and anxiety during November and December can often create loneliness and

a lack of fulfillment. This session will provide valuable tips participants can use to make this holiday season a better season for them and those around them.

CarePartners of Georgia will sponsor this final session. There is no cost to participate, and enrollment is limited to 20. The session will feature lunch, presentation, handouts and door prizes. Pre-registration is **required** and may be made by calling the Center at (478)289-2464.

## CORRELL SCHOLARS BEGIN FIFTH YEAR OF BOBCAT BUDDIES

Last spring, twenty students were named as 2019-20 Correll Scholars at East Georgia State College. The service criteria of the Correll Scholarship requires that students mentor/tutor local elementary students. Last month, the Scholars began working with twenty selected students from Swainsboro Elementary School through the Bobcat Buddies Program. We are delighted to begin our fifth year of

this important outreach program, and we are most grateful to the Emanuel County School System for providing transportation each Tuesday and Thursday from Swainsboro Elementary to the Fulford Center.

It's wonderful to witness such positive interaction between the college students and the younger students. Both groups will benefit tremendously as a result of the program, and we anticipate another rewarding year.
